Teen Club Cell Phone & Social Media Policy Reminders

Teens are allowed to have their cell phone during "Tech Time" which takes place every day until 3:35pm and again after programming at 4:30pm.

Teens are NOT allowed to be on SnapChat or take photos on their devices while at Club for the safety of other Club members.

Our #1 priority here at Club is safety. IF rules are not followed, disciplinary action will be taken.

Please call the Club @ 715-424-2582 when you are here to pick up your teen. We have staff at the desk to answer the phone at all times.

Teens will be given time to check their phones after programming.

We appreciate your support. Should you have any questions or concerns, please contact us.

January 16 - Skating on the marsh with the Riverkings!

Monday, Jan. 16 is a no school day. Teens are invited to come to the Club that day for fun programming and attend an awesome field trip!

Due to staffing, only teens signed up for the field trip may attend Club that day. Club hours will be 7:30am-5:00pm.

Teens will ice skate on a frozen cranberry marsh at Rooted in Red with members from the Riverkings Hockey Team. Skates will be provided by the South Wood County Recreation Center. IF outdoor weather conditions aren't conducive, the field trip will be relocated to the South Wood Co. Recreation Center next to Lincoln High School. Please send your teen with appropriate clothing: winter jacket, hat, gloves, etc.

Permission slips are due back Monday, January 9th!
