Unplugging at the Club

Teens will have time to be on their phones each day. Teens will "unplug" from electronics during programming every day. Teens have the option to put their phone:

- in their backpack
- in the Teen Center Director's office
- in a cubby at an "unplug" station or behind the counter

Parents can always call the Club if they need to get in contact with their teen: [715-424-2582](tel:715-424-2582).

Programming begins at 3:35pm and goes until 4:20pm every day. Please call the Club at [715-424-2582](tel:715-424-2582) to let us know you're here to pick up your teen. Teens will NOT be allowed to text during programming time unless it is an emergency.

Meet the Teen Center Staff!

Mrs. Rebecca

Hello! My name is Rebecca; I'm the Teen Center Director/Graduation Specialist. I am excited to get to know your teen and work with them through various educational activities, including STEM, art, baking, and physical activity. The teens get to choose which option they would like to participate in each day.

As the Graduation Specialist, I will manage case management activities in the Port Edwards School District to motivate students to stay focused on graduation plans. When I am not working, I spend time with my husband and my two dogs, Chewy and Chico.

Mrs. Emily

Hello! I am excited to get to know your teen and work with them through various work-based learning programs. When I'm not at work, I enjoy baking, singing, playing board games, and going on adventures with my husband, our three children and three dogs: Bosley, Kramer, and Adele.

This fall I will be facilitating Career Launch, Teen Associate and a new cognitive behavioral program called "Lifeskills." Teen Associate is an internal program here at the Club for any teen 14 years old or older. Teens will go through the onboarding process and training and will work to earn a real paycheck! This past summer we had 7 Teen Associates and I am hoping we can have more teens participate in this unique program. Feel free to contact me if you have any other questions.
